

ALEXANDRIA GAZETTE

MONDAY EVENING, JANUARY 2.

GEN. PIKE—Gen. Albert Pike, 33, grand commander of the Ancient and Accepted Scottish Rite of Freemasonry, was seventy-eight years old on the 29th of December. He lives in Washington in the handsome Masonic building, "Haikel Kadoshibu," owned by the Supreme Council, surrounded by his rare books and birds. There are twenty-five councils of the thirty-third degree in the world, and Gen. Pike is the ranking grand commander, having held his position since 1859. He was the recipient of many congratulatory telegrams and letters on his anniversary.

AN EVENING CLUB FOR GIRLS—A number of the wealthy and charitable ladies of Bridgeport, Conn., have associated themselves with the object of establishing an evening club for girls hundreds of whom are employed in the factories and other establishments of that city, and a large proportion of whom have no home other than a boarding house. The club is to be unsectarian, and there are no dues. Sewing machines and other appliances for needle work are to be provided. There will be a parlor, with piano, books, games and amusements of all kinds. Classes for all branches of study will be formed, the whole free to the girls, the only requirement in the way of payment being their presence and attention.

The Poor Little Ones.

We often see children with red eruptions on face and hands, rough, scaly skin, and often sores on the head. These things indicate a depraved condition of the blood. In the growing period, children have need of pure blood by which to build up strong and healthy bodies. If Dr. Pierce's "Golden Medical Discovery" is given, the blood is purged of its bad elements, and the child's development will be healthy, and as it should be. Scrofulous affections, rickets, liver-sores, hip joint disease or other grave maladies and sufferings are sure to result from neglect and lack of proper attention to such cases.

ADVICE TO MOTHERS.
Mrs. WISEWELL'S SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething, the child is miserable. It relieves the child from pain, cures dysentery and diarrhoea, griping in the bowels, and wind-colic. By giving health to the mother, it secures the child. Price 25 cents a bottle. Sold everywhere.
